## From the Desk of the Executive Director:

March has been a whirlwind..... it has come and now gone!! We are in the midst of hiring so be prepared for a few new faces. Anna Burton will have a write up about herself in the next newsletter. The kitchen's been buzzing making lots and lots of food as we feed not only our seniors but also the youth of our community. With the FOOD Project, a new program has been born called Feeding the Futures. Many kids when not in school do not have a way to source food and end up going hungry during March break, Christmas break and summer. March break this year saw volunteers from corporations and also here at the Sr. Centre get together and make 120 lunches and then distribute throughout our town to the kids. March is also a busy month as it is our fiscal year end. We are still seeing bill come in and get finalized. It is also tax season and we run a clinic here at the centre, which again keeps us all busy! If you have ideas and thoughts of some programs you think would be good here .... let's have a talk and see what we can do!!!!

*Happy Easter to One and All!!!!*

*Kristy*

## LOG IT TO WIN IT DRAWS

Volunteer Check-In -  
Debbie Dahl

April

Program Check-In -  
Rudy Wilde

In March, we had over 60 active volunteers who logged in over 200 times in total within our 50+ Activity Centre, with 32 volunteers logging more than 5 hours each. This month, the name drawn is Debbie Dahl!! Deb spends her time helping to run the BID Euchre twice a week, any euchre tournaments and is also a member of the Special Events Committee.

Thank you Debbie for your commitment to this centre!!

For check-ins in March, we had over 530 active members with over 2000 check-ins. Keep going in checking in!! This month's draw winner is Rudy Wilde. Rudy is a newer member of our centre and can be found working out in our fitness centre or class and then enjoying Rick's delicious Brunch and lunches. Rudy has decided as well to join the baseball crew!!! Congratulations Rudy!!!

A few years ago prior to My Senior Centre (MSC), the volunteers who helped run the drop-in programs would take attendance every program and that is how we compiled our numbers for our Ministry Forms and Grant Applications. We have seen an increase in #'s of people attending but we know there are still some not signing in. Also, this is an easier way to keep track of all our volunteer hours.

A fob is the easiest way to sign in but even if you are not a member or don't have a fob, you can still sign in. Please talk to Chris, Sue or any of the staff and they will be happy to assist you! Numbers make a difference when filling out Ministry Forms and Grant Applications. Please help us out!!! :)
